Examiner: Lavarias

AFFIDAVIT UNDER 37 CFR §1.132 for EDWARD SARGENT and LUKASZ BRZOZOWSKI

By virtue of our signatures below, we, Edward H. Sargent and Lukasz Brzozowski, applicants in the above identified patent application, declare that we are the authors of "Photonic Crystals for Integrated Optical Computing", June 2000. The present patent application discloses subject matter derived from our "Photonic Crystals for Integrated Optical Computing" reference.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
